## GAZETTE CLEANINGS.

Mr. Norman and family of Cabra Springs have moved to town.

Six hard looking characters were said to be camping near town last night.

If we only had as much rain as we have whiskey in Las Vegas, we would be happy.

Jim Aderton came in from the mountains yesterday and at 11 o'clock he was still sober.

The telegraph wires were out of joint last night again and knocked our report to pieces.

Paymaster James Moore came up last night from a run over the southern division and spent the night in the city.

Jeffers & Klattenhoff have now a fine lot of the home manufactured flower pots and hanging vases for sale at low rates.

The commission house boys sent a tenderfoot three miles out of town to bag snipe. He has lost all interest in snipes.

S. H. Newman, the enterprising editor of Newman's Thirty-Four, Las Cruces, is in this city in the interest of his lively paper.

One hundred and fifty men will go through on to-day's "Irish mail" bound for the A. & P. R. R., where they have been engaged to labor.

The billiard hall of Wolf & Putman supplemented by a free lunch and of attraction.

Two of the demi monde of Corinthian Hall last night entertained the pleasure seekers by an exhibition of pluck and muscle. The sponge was thrown up after the third round.

Antonio D. Baca of the upper town and Miss Juanita Vigil of Seibolla, in Mora county will be united in matrimony on the 29th of this month. We acknowledge an invitation to be present at the nuptials.

A young college blood who a few months ago was lecturing on "Impressions of Travel in Italy" has gone back east again, completely disgusted with New Mexico. He now lectures on "Impressions of Stake Driving," the most lasting of which are on his hands.

Last week, a few miles below Springer, an enormous eagle swooped down on an antelope sinking his talons into its back and killing it. The eagle then flew off but returned in a short time with two companions, when the three sat down and had a feast.

It is said that Paddy Ryan who murdered Marshal Walker at San Marcial a few days ago is still lurking about the town. The same night after the murder was committed he went home, secured his six shooter and compelled his wife to give up all the money she had in her possession.

The pay car made the quickest run ever made on the A. T. & S. F. over the southern division between Las Vegas and Deming. Paymaster Moore justly compliments Chief Dispatcher Sharp and his corps of able assistants. The southern division is getting up an enviable reputation for this sort of work.

Mr. A. N. Houghton, of the draughting department of the A. T. & S. F. in this city yesterday let the contract for building a neat little cottage on Atlantic St., between the residences of W. G. Smyser, Esq., and Ed. Ruby, the conductor. The cottage is very neat in design and is to be 20 by 28 feet. Taylor & Fowler have the contract and work is to be commenced at once.

This being Sunday morning and a time when business men can stop and think a moment, we would call attention to the miserable condition in which the street is left by the street railway company, particularly that portion from the bridge to the plaza. It must be widened out that teams may pass on either side of the rails and the sooner a men is put at the job the better concerned.

udies of the Academy fair commended yesterday purchased a handsome, gold ring, cameo set, suitcases, and other articles. This

Last night two roughs made night hideous by keeping up a fusillade on the plaza with their 45's, after which they went to new town intending to revive the reign of terror which existed in the days of Mysterious Dave. Deputy Sheriff Segura followed them to Patterson's dance house and with the assistance of officers Jilson and Franklin, undertook to arrest them. Fisher tried to draw his revolver but it stuck in the scabbard. The other ran out the back way, where Franklin and Jilson threw some cold lead after him, but it failed to stay his course as he succeeded in making his escape. His companion was not so lucky but was embraced by the strong arm of the law and placed where he is in no danger of getting tanned.

John Ellis a colored man who has been at work with one of Lantry & Burr's gang of stone men at Watrous came into town yesterday to have a painful wound in the left knee dressed. He was shot by John Rooney his foreman, for some fancied wrong, the fellow being obliged to quit work on Friday from sickness. Rooney was probably drunk at the time, for Ellis reports that he followed him from his camp to another and fired four or five shots at him one of which hit him in the knee. Ellis escaped out of range but coming up to the station, Rooney fired on him once more, but none of the three shots that he discharged hit him. Ellis fired two shots at Rooney but both missed the mark. He walked into town to-day and was attended by Mrs. Dr. Sumnerfield.
